- A nonprofit program of the National Inventors Hall of Fame Foundation in partnership with the **United States Patent and Trademark Office**.
- **Convenient!** Step-by-step instructions are provided for the director and educators.
- In alignment with national and state education standards.
- Focused on hands-on, inquiry-based learning.
- An opportunity for schools to be in the community spotlight.
- A summer opportunity for local educators and science enthusiasts.

**A Winner!** Educators, parents, and children give this program a positive approval rating of more than 90%!

The National Inventors Hall of Fame Foundation is the world's leading organization in recognizing, honoring, and inspiring creativity and invention through major recognition programs, museums, and educational programming. Invent Now® Kids, a subsidiary of the National Inventors Hall of Fame Foundation, encourages future generations of inventors through educational enrichment outreach programs such as that provided in the Camp Invention®, Club Invention®, and Li'l Inventors® programs.

THE  
CAMP INVENTION  
PROGRAM

is a weeklong nonprofit  
summer

enrichment day program that fosters:  
**creativity > teamwork > inventive-thinking skills**  
and **science literacy**  
for children entering grades 1 through 6.

We invite you to be among the select group of schools and organizations that offers the Camp Invention program. **Please visit our Web site at [www.campinvention.org](http://www.campinvention.org) or call us at 800.968.4332.**
